Placing a call

To place a call using the handset

- Pick up the handset. Enter the desired number using the keypad or the dial pad on the touch screen.
Tap  to see the onscreen keyboard, and then you can enter the number using the onscreen keyboard.
- Press  or tap "send".

To place a call using the hands-free (speakerphone) mode :

- With the handset on-hook, press  or tap the line key to obtain a dial tone. Enter the desired number using the keypad or the dial pad on the touch screen.
- Press  or tap "send".

Choosing to place an audio only / video call

1. Do one of the following :

- Enter the desired number using the keypad or the dial pad on the touch screen when the phone is idle.
 - Tap the line key when the phone is idle to enter the dialing screen. Enter the desired number using the keypad or the dial pad on the touch screen.
2. Tap video call / audio call to place a video call or audio-only call.

Redialing a number

To redial the last dialed number from your phone :

Press  twice. A call to your last dialed number is attempted.

To redial a previously dialed number from your phone :

Press  when the phone is idle. Tap the desired entry from the placed calls list.

Do Not Disturb (DND)

To configure the DND mode via web user interface :

- Click on "features" > "forward" & DND. In the DND block, mark the desired radio box in the mode field.
- Click confirm to accept the change.

Call Transfer

Blind Transfer

- Press  or tap the "transfer" soft key during a call. Do one of the following :
 - Enter the number you want to transfer the call to. Press  to complete the transfer.
 - Enter the number you want to transfer the call to. Tap "transfer" to complete the transfer.
- Tap  and then tap Local Directory. Search for the contact and tap the desired contact contact to complete the transfer.
- Tap  and then tap, the desired list. Tap the desired entry to complete the transfer.
The call is then connected to the number to which you are transferring.

Semi-Attended Transfer

- Press  or tap the "transfer" soft key during a call. Do one of the following :
 - Enter the number you want to transfer the call to. Press  to dial out.
 - Enter the number you can transfer the call to. Tap "transfer". The phone will prompt a dialog box.
Tap "send" to dial out.
- Repeat the same steps as before. Then, press  or tap the transfer soft key to complete the transfer when receiving ringback.
